The Mission

of the **Greater Miami Jewish Federation** is to mobilize human and financial resources to care for those in need, strengthen Jewish life and advance the unity, values and shared purpose of the Jewish people in Miami, in Israel and around the world.

More than 850 people from Miami traveled to Israel to celebrate the country's 70th birthday as part of the 2018 Greater Miami Jewish Federation Mega Mission.

**GREATER MIAMI
JEWISH
FEDERATION**

The Strength
of a People.
The Power
of Community.

We begin this Report to the Community by looking back at remarkable milestones from 2018. Israel celebrated its 70th anniversary of independence and our Greater Miami Federation marked 80 years of working on behalf of the Jewish people. In 1938, a concerned group of Jewish community members established Federation in response to *Kristallnacht* — the Night of Broken Glass — which foreshadowed the Holocaust. At that time, there was no State of Israel to provide safety and refuge, but today we marvel at Israel's extraordinary accomplishments, which were in vibrant and vivid display when more than 850 Miamians journeyed to our spiritual homeland during our Mega Mission. Traveling daily with family, friends and neighbors, we visited sites where Federation funds are in action to benefit people in need.

All of our work for the good of the Jewish people in Israel, in Miami and around the globe is possible thanks to your generosity. With eight decades behind us and a bright future ahead, we move forward strengthened by the thousands of supporters who help us care for those in need and ensure that we are able to provide for our people everywhere in the most efficient and effective manner.

This Report will give you a snapshot of how Federation has invested our precious community resources this year and how we have allocated funds to our vital agencies at home and overseas that serve Jews of all ages.

We are grateful to the devoted community leaders whose dedication ensures we work collectively to meet our shared obligations of Jewish peoplehood. During these times of increased anti-Semitism around the globe, Federation is standing strong, strengthening our community and acting as a force for good, helping to repair and heal our world.

Thank you for your steadfast support, trust and ongoing commitment. We are humbled by the sacred task of working on your behalf to help those in need and to advance Jewish life.

EDUCATING ENGAGING INSPIRING

We are always looking ahead to secure a vibrant Jewish tomorrow. Federation funds programs that foster connections to our history, heritage and traditions. We help develop an enduring commitment to Jewish life and practice through formal and informal Jewish education for toddlers reading about holiday celebrations, for students at Jewish day school, for kids enjoying Jewish summer camp, for young adults bearing witness to the devastation of the Holocaust and for those experiencing Israel for the very first time. Last year, Federation provided \$3.5 million to support Jewish educational initiatives in Miami. Through education and engagement, we strengthen Jewish life and ensure a strong, rich and creative Jewish future.

CONNECTING UNITING SECURING

Serving one of the nation's most diverse Jewish communities, Federation supports programs and activities that reflect our deep multicultural roots. From volunteer opportunities to educational events to missions to Israel, Federation unites our people for the greater good. Through our Jewish Community Relations Council, we stand strong in the face of anti-Semitism and the hateful boycott, divestment and sanctions (BDS) movement against Israel. With passion and vision, programs highlight the traditions that bind us together and strengthen our shared commitment to our community and our spiritual homeland. 4-Star Rating —

The highest possible — was awarded to Federation from Charity Navigator, America's largest independent evaluator of charities.

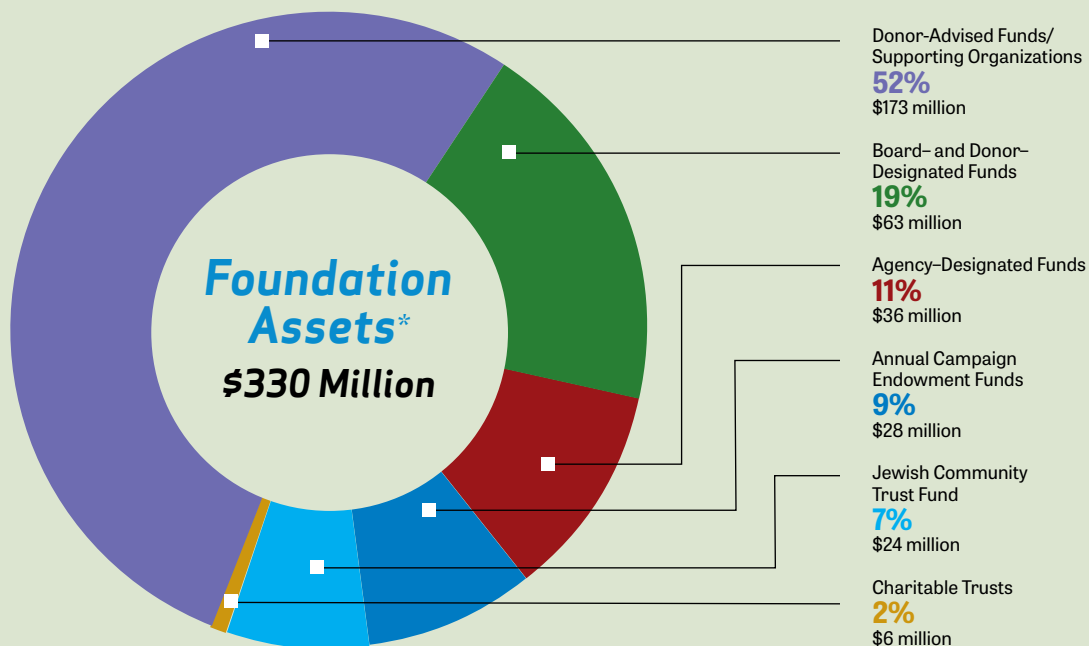

The Greater Miami Jewish Federation is a volunteer-driven organization powered by passionate, caring people who give their time to make our world a better place. Nearly 1,000 Federation volunteers thoughtfully guide the distribution of financial resources. They use advocacy efforts to leverage Federation dollars and secure additional funding, and provide thousands of hours in hands-on assistance to community organizations and their clients.

A Gift for the Jewish Future

For more than half a century, The Foundation of the Greater Miami Jewish Federation has enabled hundreds of philanthropic individuals and families to support vital services in Miami, in Israel and around the world through meaningful, strategic and tax-wise charitable gifts.

As of June 30, 2018, The Foundation held **\$330 million** in assets representing **721** donor families and organizations.

During 2018, **\$38 million** in contributions and bequests were added to new and existing funds. Grants valued at **\$30 million** were awarded to Federation, our beneficiary agencies and other charities.

*As of 6/30/18

The Jewish Community Trust Fund is Federation's unrestricted endowment. It is a collection of unrestricted bequests, large and small, from donors seeking to enhance our collective Jewish future.

Campaign Endowment Funds (which include **Lion of Judah Endowment Funds**) are permanent endowments designated by donors to perpetuate an annual gift to the Federation/UJA Campaign. They provide support in the name of the donor or a loved one to provide Federation with the resources to care those in need, meet unexpected challenges and plan for the future, now and forever.

Donor-Advised Funds or Philanthropic Funds are "charitable bank accounts" that allow donors to realize important tax advantages and make charitable contributions when the time is right.

Supporting Organizations are a means by which donors can involve family members in their philanthropy.

Launched in January 2013, **Create a Jewish Legacy (CJL)** is a collaborative endowment program benefiting Miami's Jewish agencies, synagogues, day schools and The Foundation of the Greater Miami Jewish Federation.

As of June 30, 2018, **732** individual and families have signed declarations of intent through CJL valued at over **\$50 million** in estimated expectancies. **\$8.5 million** in cash has been received by beneficiary organizations.
