

In an uncertain world...

We are providing much certainty.

THE CORONAVIRUS PANDEMIC has dramatically changed our world. What hasn't changed is the way the **Greater Miami Jewish Federation** addresses a crisis. We mobilize the human and financial resources necessary to provide immediate assistance to the most vulnerable people through our infrastructure that is in place always — ready to act at a moment's notice.

THIS IS EXACTLY WHY FEDERATION EXISTS.

All this is made possible by generous donors who contribute to the Annual Greater Miami Jewish Federation/ UJA Campaign. This support funds a wide safety net of essential programs, providing precisely what our community needs, day in and day out.

The human impact of the COVID-19 crisis is tremendous. People are truly hurting. Federation is working diligently to provide much certainty in this uncertain world.
