

Declaration of Intent

In the tradition of those who came before me, I affirm that I have either already provided for the future needs of the Miami Jewish community through a legacy gift, or I intend to do so in the manner described. While not a legal document, this Declaration of Intent indicates my heartfelt promise that my will or estate plan will include instructions to provide for the support of Jewish charitable causes that are important to me, with additional designations as noted. By creating my Jewish legacy, I will be leaving my imprint on our community for generations to come.
