The Government of Israel's resolution suspending the Kotel plan for egalitarian prayer and promoting the conversion bill

ENDANGERS

the unity of the Jewish people and undermines the Zionist vision of a Jewish state for all the Jews in the world, in the spirit of Herzl, Ben Gurion, and Jabotinsky

The Jewish Agency calls upon Members of Knesset, those we will meet today and all others, to take all necessary action to ensure that these damaging steps are halted.

The Jewish Agency also calls upon the Government of Israel to understand the gravity of its steps and reverse its course of action accordingly.

The Jewish Agency will ensure that every Jew is connected to the Jewish story and to Israel.
