# VOTE-BY-MAIL REGISTRATION UPDATES

Under Florida law, Vote-by-Mail requests expire every two years on December 31. **If you have not renewed your request for this election cycle, please do so before the registration deadline.** (See deadlines below.)

We encourage you to note the proximity of the deadline for the Vote-by-Mail registration to the actual election. There is reasonable concern that if you wait too long to register to Vote-by-Mail, you will not receive your Vote-by-Mail ballot in time and/or you will not have sufficient time to return it by mail. **If your preference is to Vote-by-Mail, we urge you to update your voter registration in a timely manner.**
