2025 Municipal Elections

Municipal elections are occurring in Miami-Dade County this year!

The Jewish Community Relations Council (JCRC) Election Toolkit aims to educate, engage and inform voters in Miami-Dade County about voter registration and voter accessibility.

This toolkit will provide information on how to register to vote, cast their ballots and find specific information that will help provide a secure and smooth voting process.

Register to Vote

Vote-by-Mail Registration Updates

- In accordance with Florida law, all requests for Vote-by-Mail ballots expired at the end of 2024. **If you have NOT updated your Vote-by-Mail request and plan to vote by mail, please submit your request before the deadline for Vote-by-Mail registration.** (See deadlines below)
- We encourage you to please note the proximity of the deadline for the Vote-by-Mail registration to the actual election. There is reasonable concern that if voters delay registering to register to vote by mail, they will either not receive their mail-in ballot in time and/or they will not have sufficient time to return it by mail. **If your preference is to vote by mail, we encourage you to update your voter registration in a timely manner.**
- Voters can find detailed information about casting a Vote-by-Mail ballot, including both written instructions and an instructional video on the [Miami-Dade County website](#).
